Villajoyosa (La Vila Joyosa - "La Villa Alegre" The happy village) is a city historically known by the port, the tradition for the chocolate and the characteristic houses upon the historic deffensor wall from the town. A city with town soul perfect for who wants quiet and enjoy. Maximum capacity: 4 people* The historic center of Villajoyosa is a protected space, with narrow streets and traditional colored houses. Staying in one of these houses is an unforgettable experience, but at the same time it has its drawbacks: restricted access to vehicles, only residents are allowed, or clients of tourist apartments and the difficulty to circulate because the streets are very narrow, on the other hand most do not have an elevator, so when traveling to one of these homes all this must be taken into account, to be able to enjoy a peaceful stay that you will never forget.
